

LIVING IN THE LIGHT

CHILDREN OF LIGHT

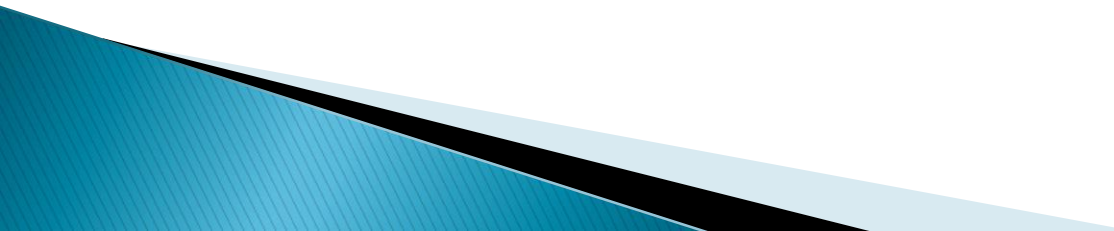

- ▶ From darkness to light...
 - ▶ Putting off the old self...
 - ▶ Putting on the new self...
 - ▶ Walk in the Way of Love...
- 

Live as Children of Light

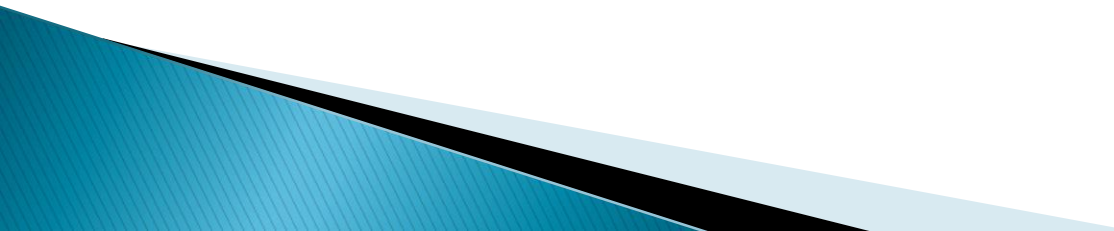

- ▶ Developing our characters:
 - ▶ Being ruthless with the ways of darkness
 - ▶ The issue is idolatry: *“offering to things, activities or people the attention and devotion due to God.”*
- 

The root of idolatry is:

Greed – that is *addiction*, the desire for more:

- Wealth and possessions
 - Success – a great ‘self-image’
 - Sexual gratification
 - Acceptance
 - Rights to personal choice
 - Freedom to self-expression
 - Power over others
- 

Idols demand sacrifices:

- Families enslaved to debt
 - Marriages wrecked by ambition
 - Exploitation of women and children
 - Self-harm and suicide
 - Unborn babies (1 in 5 pregnancies)
 - Destruction of family relationships
 - Modern slave trade; oppression of the vulnerable
- 

There is no place for such things in the lives of the Children of Light:

The fruit of lives lived in the light...

The fruitless deeds of darkness...

It is Time to:

WAKE UP!

RISE UP!

LOOK UP!
